CABLE TRAY ROLLERS™

INSTALL IN THREE EASY STEPS

iTOOLco.

5" Tray Roller
TRST05

10" Tray Roller
TRST10

20" Tray Roller
TRST20

30" Tray Roller
TRST30

1. Drop over.

2. Tighten.

3. Pin.

A revolutionary update to conventional tray rollers, iTOOLco's Straight Cable Tray Rollers™ install ten times faster than traditional tray rollers - saving time and money.

With tremendous functionality, these tray rollers can be mounted above or below the tray and quickly secure in place. Withstanding cable pulling loads of up to 2,000 lb., iTOOLco's Straight Cable Tray Rollers™ glide smoothly on rated bearings and have versatility to handle a variety of strut and supporting members.
